KAWASAKI
RHYTHM ROCKER™

Create space sounds and hi-resolution color graphics to the beat of electronic rhythms.

An easy-to-play, fully-documented music program.

SIGHT & SOUND Music Software, Inc.

We unleash the music in you.™

The KAWASAKI RHYTHM ROCKER™

creates space sounds and hi-resolution color graphics to the beat of electronic rhythms.

Play your own melodies over the same bass and rhythm patterns used in hit songs by top recording artists.

All the while watching and controlling exciting space graphics being drawn on the screen.

This program also features an easy-to-use multi-track recording capability, and your choice of a variety of percussion and synthesizer sounds that are coordinated with the hi-resolution color graphics.

Fully-documented, of course.
